Fishing Pier Repaired and Reopened to the Public after Tragic Accident

SUNSET BEACH, N.C. – The public fishing pier located just west of the State of North Carolina Wildlife Resource Commission (NCWRC) public boat ramp along the Intercoastal Waterway in Sunset Beach, NC has been repaired and reopened.

The fishing pier was closed after the tragic Jet Ski accident that resulted in the deaths of a father and son from Acworth, Georgia on Friday, May 27, 2016. “It was a tragic accident and as we move forward we hope that everyone including both visitors and residents enjoy a safe summer “said Mayor Ron Watts.
